WELCOME TO THE BLOOD TO BUCK BREEDERS SALE

Welcome everybody to the 2nd Annual Blood to Buck Breeders Sale. This sale is the highlight of the year for us and we are excited that you have joined us, and we thank you for being a part of this event.

We have been breeding and raising Bucking Bulls for over 20 years combined, and each year we strive for excellence by working hard to improve our programs.

We think that the cattle offered here today are some of the best cattle ever offered for sale from some of the greatest producers in Canada. This year we would like to welcome back Elie Skori for his second trip to our sale, and Elie has again brought with him some top end cattle right from the heart of his herd which has been over 25 years in the making. Elie's exceptional breeding program has produced bulls such as BBOY Trick or Treat, Suter Ice and the great Gunsmoke. Look forward to top end cattle from the Skori Ranch. WOW, This year are very excited to have Darin Eno accept our invitation to the sale and he did not disappoint. This is Darren's first year at the sale and he has brought with him a couple of awesome lots that will be sale highlights. Just to name one, a eno cow with a live Unabomber bull calf at side. Unabomber was a bull raised on the Wayne and brian Chausse ranch and sold to Darin and his partner Duane Kubinchak, Unabomber has now become one of the most well known bulls in all of Canada. And last year Unabomber went on to receive one of the most prestige awards in the industry by being named daisey rookie bull of the PBR in the 2008 season, and he has already been marked as high as 46.00 in the short round in Billings, MT at the PBR Bud Light Cup Event.

We are also proud to welcome Lorne High and his family to the sale for the first time, together they bring 20 years of success in the bucking bull industry and some of the rankest and most sought after bloodlines in Canada and the U.S, such greats as I'M A Gangster and his Daddy Yippy High Yea. We would also like to welcome Curtis Sawyer from Saywer bucking Bulls, Curtis brings years of bullfighting and bull raising experience and is a great producer and promoter of our sport. We have also been very fortunate to have Nate Gardiner from Rafter G Bucking Bulls join us this year. He has been kind enough to dip deep into his herd and bring us a couple awesome lots. Wayne and Kent have also put together what they feel are some of the best bred young cows, yearling heifers, and set of young bulls ever offered from their programs, featuring bloodlines such as 2003 PCB BBOY Double Jeopardy, Unabomber, burton,Carlyle,quam, just to name a few. So from all of us sit down, relax, enjoy the sale and most of all, if you need any assistance or have any questions please feel free to call.
